community credit union

Dear Member,

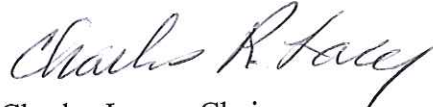

As you know, your credit union has been in existence since 1935, over 83 years! Through those many years, the credit union has had many volunteers who have served on the board of directors, advisory to the board and on the supervisory committee. These volunteer positions are vital for the credit union as they oversee the regulation, compliance and financial status of the credit union.

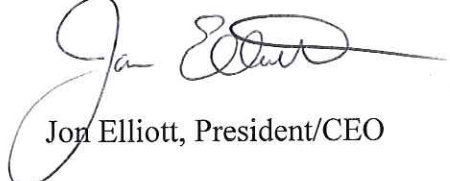

This group of individuals is called the official family of the credit union. They are elected by the membership at the annual meeting and serve a three year term. As times continue to change, and current members have decided to step down from their position, it has become very important to recruit new members for these positions.

Although all members are eligible for these positions, the official family is looking to expand the group's knowledge base. They realize the world is changing and they feel that more knowledge is needed in the following areas: cybersecurity, social media, human resources and auditing. Expertise in these areas would help the credit union to continue to grow and prosper.

If you have interest in serving the credit union in any capacity or have further questions, please contact us at the credit union. If you would like to be considered for a position on the official family, please send in a resume to jelliott@memberfocus.org and why you would like to serve on your credit union's official family.

Thank you for your membership and continuing to help the credit union!!

Charles Lacey, Chairman

Jon Elliott, President/CEO
